

**Dear ASV Family,**

First, thank you for supporting our business. You are why we are here! We appreciate your continued loyalty and trust.

The New Year is fast approaching. In preparation for the new academic year we'd like to bring two important notices to your attention.

### **2026 Enrolment requirement**

Please complete the 2026 Enrolment form to secure a slot for next year. You can email a signed copy to [admin@asvtravel.com](mailto:admin@asvtravel.com).

- The form requires details for each child you'll be enrolling for transport with ASV Tours.
- If you have more than three children, please complete an extra form.
- Forms must be submitted no later than, **Friday, 9 January 2026**, to ensure that your child is loaded to our system on time.

### **2026 Price List**

We understand that any raise to primary expenses is not ideal. For all these years, we have done our best to keep our rates competitive or unchanged. But with growing petrol & diesel prices, our operating cost are constantly increasing. Hence, after careful evaluation of our expenses, we have decided to increase our pricing. The price increase will be effective from **January 01, 2026**. Kindly note that a full payment is expected in January. Please visit our price list to familiarise yourself with your new monthly rate.

The price raise is necessary for us to provide your children with a top-notch service, safety, exceptional drivers and the value-added provision of transport for extra-curricular activities.

We are committed to providing you with the best service in the industry. We greatly appreciate your understanding in this situation. If you have any questions or concern, feel free to contact our committed administration team.

**Regards,**

**ASV Management**
